Accelerated Fitness Trainer Clinic

You are well on your way as a fitness or sports professional. With your CPT credential or as you prepare for certification by completing a current personal trainer course, learn the direct client skills to bring your training in line with application. Your prior knowledge of human movement science, will focus these hands-on skills in a 4-day clinic with practical experience necessary to perform assessments, create individualized programs including nutrition, and behavior modification and progress your clients to their goals. New skills can be applied quickly to build clientele and increase revenue.

Course: 38231
Spring 2018

4 sessions
9:00am-4:00pm

\$795
24 hours

Instructor: Jonathan Smith, RD, LD, NASM CPT

Location: Institute of Community Wellness and Athletics
2420 Comanche Rd. NE, Suite 61, Albuquerque, NM.
East of I-25 and West of Carlisle Blvd.

Note: Your application must be submitted prior to enrolling. Prerequisites for verification are to be 18 year or older, current certification as personal trainer or current or completed enrollment in personal trainer course, current CPR card and a resume.

It is important that you have some prior fitness training or are enrolled in our online course. The Application form is simple and easy.

CERTIFIED PERSONAL TRAINER

“Make it Happen” is our kick off to a great new way to become a personal trainer or fitness coach.

Are you a GOAL GETTER?

Get the foundations of fitness with our online course offered through Ed2Go Careers with the National Academy of Sports Medicine (NASM) to reach your first level goal. Prepare for the NASM certification exam over the next six months for your second level goal.

NASM Certified Personal Trainer and Exam Preparation

(Voucher Included)

Want to become a leading fitness industry professional and start an exciting career helping others achieve their fitness goals? The NASM Certified Personal Trainer and Exam Preparation program is a unique online training program that helps prepare for the NASM exam, to earn one of the most respected and in-demand certifications in the health and fitness industry. You will use a robust set of available resources (videos, presentations, readings, quizzes, activities) to master health and fitness topics, including nutrition, program design, human movement science, fitness assessments, among others.

This program includes exam preparation, all study materials, as well as the certification exam fee. The NCCA accredited NASM CPT Personal Trainer Exam is taken at a local testing center (PSI), and you can schedule your exam date after completion of the program.
