Supply List for Glass Graveyard Tour

Please bring or wear:

Sunglasses, prescription glasses or safety goggles to protect eyes when digging glass shards

Close-toed shoes only

Sunscreen

Sunhat or ball cap for additional sun protection

Gloves with little nubs (like for gardening) or any kind that will protect hands and fingers when picking up glass shards

Appropriate clothing for the season

Bottle of water for hydration

Pail, canvas bag, backpack or any sturdy container to put glass shards in...not too big....easy to carry

A small shovel or pick axe to dig with to uncover shards partially covered by dirt
