Directions:
Diener Studio is located at 500 2nd St. SW (corner of 2nd and Coal, where Coal begins to go over the train tracks). It is catty corner to Zendo Coffee and one block south of Gertrude Zachary’s Castle. The building is orange and purple, and #500 is posted.

There is often parking in the front lot on 2nd Street. If the front lot is full, take a left into the alley, then another quick left into the parking lot that follows the side of the building. There is parking in the middle and rear lots. 500 2nd Street SW is a very active residential and commercial building; therefore parking in the front is not always available.

The front entrance to the building (on 2nd Street) is always locked. To the right of the front door are the windows to the studio. There is a sign that reads “knock here,” knock and I’ll let you in.

Note:
1. The studio will open no more than 10 minutes before class
2. Bring water if you would like, there are no vending machines in the building

Clothing Requirements:
Close-toed shoes only. No Scarves, no sleeves that drape, and no hoodie ties. If you have long bangs or hair, please tie/secure your hair back.

Aprons and safety glasses are provided for your use. Please bring your own safety glasses if you have a favorite pair.

Students will complete/sign a Liability Waiver provided by instructor.
