UNMCE Accounting Professional License and Certification Prep and Review! NEW

If you are working in accounting or finance, there is no better way to show your mastery of your chosen profession than to earn a CPA license or a professional certification. Why not take the next step and continue to improve your skills and knowledge? Taking a review course to help you prepare for one of these challenging exams is one of the best investments in yourself that you will ever make. UNMCE is now offering a hybrid review course for one of the most prestigious business licenses – Certified Professional Accountant (CPA). We are also offering hybrid review courses for professional certifications for the Certified Management Accountant (CMA), and Certified Internal Auditor (CIA). These certifications are some of the most popular and highly sought after in the country and world!

We will be using Wiley Review Course materials to prepare for all professional exams. Wiley is a proven leader in helping candidates prepare for professional exams. All materials will be taught by subject matter experts in a convenient on-line environment. Study course materials will be available 24/7 and you will be able to set your schedule, for the most beneficial and optimal time to study, for you to be successful. This course will be monitored by a professional instructor who will guide you from the initial setting up of your personal exam plan (PEP) through the final steps of preparing to take your professional exam.

Preparing for a high-stakes exam is one of the most important challenges of a professional's career. Let us help you to do your absolute best to reach your goals!
