The Online Instructor Certificate is a prerequisite for the Instructional Media Developer Certificate within the Digital Arts program. Instructional Media Developers focus on creating rich materials for the classroom, including multimedia content for online learning. For more information, visit: <http://ce.unm.edu/professional/digital-arts/certificates/multimedia.php>.

### According to O'Net

Instructional Design is identified as a "Bright Outlook" career, meaning that it is expected to grow rapidly in the next several years. And the Bureau of Labor Statistics shows the annual salary range for this field in New Mexico is \$32K-89K. Our certificates are excellent stepping stones for this in-demand career!
