Continuing
Education

ce.unm.edu

As a registered Education Provider (REP), we offer certificate programs and courses that are preapproved for professional development units (PDUs) through PMI and have been reviewed by a project management professional (PMP) to ensure that they meet PMI's expectations for professional development in project management.

Our certificate programs are a good choice for those looking for project management experience and those aspiring to obtain a PMI credential. Please visit <http://www.pmi.org> to learn more about PMI's credentials and how they may fit into your continuing education plans.

Project Management Practitioner Certificate

Learn project management methods, define the best methods for a given project, and discover how to apply these skills to cost and scheduling tools such as Microsoft Project, integrating project management practices with project management software.

PMP Fast Track Certificate

PMI's Project Management Professional (PMP)[®] credential is the most important industry-recognized certification for project managers. Globally recognized and demanded, the PMP[®] demonstrates that you have the experience, education and competency to lead and direct projects. In order to receive the PMP[®] designation, you must meet the degree requirements, experience hours, and 35 hours of project management education. This certificate is the perfect choice to meet that education requirement and prepare you to take the PMP[®] Certification Exam. For more information regarding the PMP[®] requirements and exam, visit www.pmi.org.

Two required courses (choose one of the date choices for each course):

Course Name	Course #	Dates	Days	Time	Hours	Cost
__Understanding Project Management	21005	Sep 25-Nov 6	M	5:30pm-8:30pm	21	\$795
__Project Management Professional (PMP)/CAPM Certification Exam Prep	21015	Apr 4-May 9	T	6:00pm-9:00pm	18	\$895

Total 39 hrs \$1,690

Registration Discount Enroll in three or more courses at one time and receive a 10% discount.
