FAQ:

- “The videos don’t work. What should I do?”
  - The videos contain the same information as the lessons. They are optional and not necessary in completing the course. If you wish to view the videos, you may go to your local public library to watch them.
- “Can I take the DWI final exam at an MVD Express/Now?”

- You can, but there will be additional fees. State MVD's do not charge an extra fee to take the DWI final exam.
- "Do I have to attend a class? / Can I do it online?"
  - None for the Road is a self-taught, self-paced course that is done individually. You may purchase and study the course online at our website or you may obtain a physical copy of the study guide. You will need to take the DWI final exam at an MVD.
- "I paid already but cannot find the lessons. What do I do?"
  - You will need to log onto your account at [nonefortheroad.org](http://nonefortheroad.org) to access the course. From there, you will choose the small grey arrow next to "courses". It will provide you with a drop down that says "Awareness", which you should click the grey arrow next to as well. Then the DWI course will show up and you will have access to all of the modules to study from.
- "I paid already and have gone through the steps above, but still cannot find the lessons. What do I do?"
  - Payments are not automatic. It can sometimes take up to 24 hours for a payment to be accepted and verified in our system depending on the volume of participants trying to purchase the course at one time. If you don't see the course within 1 hour, please check back after 24 hours and follow the steps above.
- "I need to get my state ID/Driver's license. Can I make an appointment?"
  - Our office only deals with running the None for the Road program. You will need to contact your local MVD to receive your state ID or license. You can schedule an appointment with them at [mvd.newmexico.gov](http://mvd.newmexico.gov) or by calling your local MVD office.
